

What is LYRICA? [1]

Answer:

LYRICA is a prescription medicine approved by the US Food and Drug Administration (FDA) to treat fibromyalgia, diabetic nerve pain, spinal cord injury nerve pain, and pain after shingles. LYRICA (pregabalin) is also indicated to treat partial onset seizures in adults with epilepsy who take 1 or more drugs for seizures.

LYRICA can help relieve diabetic nerve pain, pain after shingles, fibromyalgia pain, and spinal cord injury nerve pain.*

* Individual results may vary.
